HEADQUARTERS SIXTH ARMY GROUP
OSS LIAISON OFFICE
APO 23, U. S. ARMY

17 February 196.

SUBJECT: Air Targets.

TO : Commanding Officer, G-2, SSS.

1. First TAF is particularly interested in targets in SAARBRUCKEN-PIRMASENS-LANDAU axis - industrial targets, barracks, POL and Ammon dumps, RR repair shops.

2. There is particular interest in the large plant in OFFENBURG about 800 yards southwest of the southern end of the marshalling yards consisting of 4 main buildings. *

3. TAF likewise wants to know for what purpose the buildings are used which are situated about 500 yards west of the RR Bridge at the southern end of the marshalling yards in RASTATT. Also in that city is an installation opposite the aforementioned ones, directly across the river which has large yards full of what appears to be lumber.

4. We are also asking PARIS for info requested in paragraphs 2 and 3.

LAH AVI

* What is it used for?

/s/ /t/ HENRY R. MACY
Capt, CE.
